

Breathe gold luster into your skin

JEWEL GOLD CREAM

Combined with collagen,
hyaluronic acid and aloe extract
(moisturizing components),
this product gives moist to your skin.

This is a jell-type cream for whole face which contains gold leaves that appear gorgeous.

It quickly blends and gently conditions your skin.

It is combined with moisturizing components, collagen and hyaluronic acid.

With rose scent that smells delicately, you can also relax your mind.

<How to use>

Take an appropriate amount of this product on your hands and massage it into your skin until gold leaves disappear after getting out of the bath, etc. as serum following lotion in the morning and evening.

<Precautions for use>

- Do not use this product if you have any abnormality such as injury, swelling and eczema.
- Stop using this product if any abnormality appears while you are using it or after using it and consult with a skin specialist, etc. If you continue to use it, the symptom may aggravate.

<Precautions for handling/storage>

- Keep it out of baby's reach.
- Do not store it in any place where it will be subjected to extremely high/low temperature or direct sunlight.
